

Upcoming Work Weekends and Volunteering!

Eagle Island's prime work weekend, Memorial Day Weekend, is fast approaching, and we need volunteers!

With the expansion to the Adirondack Tent area, our capacity has doubled, requiring us to transport put up more tents, beds, and mattresses. Additionally, there's a host of opening tasks to ensure the island is ready for campers. We're eager to gather a committed group for a range of projects. If you're interested in volunteering or want to find out more, please complete the form below!

www.eagleisland.org/volunteer

[NEW] Day to Overnight Bridge Program

For girls ages 8-11 to ease into the overnight camp experience. Day camp from Sunday to Tuesday and then Overnight from Wednesday to Friday!

Sunday, July 7 - Friday, July 12
Sunday, July 14 - Friday, July 19

Phase III Rehabilitation Projects: Priorities

In 2022, Eagle Island was granted funding for Phase III of our rehabilitation project. The total grant is \$666,660. NY State will provide 75% (\$499,994) of the funding, and EI is responsible for the other 25% (\$166,666). In 2024, we aim to complete the two largest components of the grant:

- A second egress to the Guide House (also known as the Health Center)
- Repairs to Boathouse #2 attached to the service dock

The second egress to the Guide House will allow for more staff housing space and we are hopeful for the project to be completed before campers arrive in late June. Boathouse #2, the island's main arrival point, facilitates frequent traffic to and from the island, including campers, visitors, and staff. However, it suffers from winter freeze and thaw effects, compromising its structural integrity. The project is slated to begin in September 2024 once the camp season concludes. *If you have been to the island recently, you know what we are talking about!*

We have budgeted to spend up to \$312,000 of the total grant which means EI is responsible for matching up to \$78,000 in 2024. If you are interested in supporting our matching funds so we can use contributions towards bettering our programming, retaining more talented staff, and our overall operations, please reach out to Danielle at [dlacavalla@eagleisland.org](mailto:dacavalla@eagleisland.org).

2024 Eagle Island Camp // SCOPE Partnership

Following our ACA accreditation, we embraced exciting opportunities and established new partnerships, including one with the Summer Camp Opportunities Promote Education organization (SCOPE). SCOPE aims to provide summer camp experiences to children from all socio-economic backgrounds, enabling them to attend nonprofit ACA-accredited camps. In the early 1990s, nonprofit camps were struggling to fill their beds and stay open due to a decline in funding. SCOPE was born out of a desire to help these camps fill their beds with children who truly needed camp and would ultimately benefit from the camp experience. Children receiving SCOPE camperships can access overnight summer camps across the United States at no cost to their families.

Together, both SCOPE and Eagle Island help subsidize a camper's tuition.

In January, Eagle Island presented to the Saranac Lake School District on SCOPE funding opportunities. The response from Saranac Lake leaders has been overwhelmingly positive and proactive. In 2024, we are hopeful to support 7 campers with the help of SCOPE funding and we aspire to expand our partnership to enable more local campers to attend Eagle Island without financial burden in the future.

EI's Strategic Plan prioritizes collaborating with mission-aligned partners such as SCOPE. For further insights into our goals and objectives outlined in the EI Strategic Plan, please visit www.eagleisland.org/strategicplan.

Year 3 as ED by Danielle LaCavalla

As I enter my third year as Executive Director at Eagle Island, I'm excited to update you on our progress and plans, made possible by your generosity:

- Expanded Adirondack/ Islanders tent area to accommodate more campers.
- Welcomed another full-time staff member to our all-women leadership team.
- Invested in innovative swimming platforms to enhance waterfront activities.

While we faced fundraising challenges in 2023, we completed these essential investments.

Looking ahead to 2024, we're ready for new opportunities and financial responsibilities. We're committed to preserving the island's heritage and meeting winter maintenance needs. To ensure our continued success, we're launching ambitious fundraising priorities early this year:

1. **Phase III Historic Restoration Construction: Seeking \$78,000 to cover 25% of construction costs.**
2. **Financial Assistance for Campers: Aiming to raise \$62,000 to keep camp accessible to all.**
3. **Property Management and Camp Supplies: Investing in upkeep and essential equipment.**

Program planning and staff recruitment for the upcoming summer are progressing well, promising another empowering season for our campers.

Your support will make a meaningful difference in their lives and the island's future. Together, we can continue providing transformative experiences for generations. Thank you for your steadfast support of Eagle Island and our shared vision.

FY23 Annual Report

The annual report acknowledges gifts received by Eagle Island, Inc. between January 1, 2023 and December 31, 2023. The names reflect gifts of cash, securities, and in-kind donations. The report is compiled by the staff and the Board of Directors. The utmost care has been taken in preparing this report. Occasionally, however, errors do occur. We apologize if this has happened and ask that you notify us with any inaccuracies or omissions.
