physician with years of experience working
in the region's only level I trauma center,"
said John Remillard, president of Elizabeth-
town Community Hospital. "I'm confident
that under his leadership, our emergency de-
partments will continue to improve patient
care, providing our community with the type
of high-quality emergency services found in
much larger communities."

Clauss is the attending physician for the
UVM Medical Center's Emergency Depart-
ment in Burlington, Vermont. Since joining the
UVM Medical Center in 1991, he has served
in a number of clinical and administrative roles
including assistant medical director of emer-
gency services and president and president-elect
of the UVM Medical Center medical staff.

He is also an associate professor of emer-
gency medicine at the University of Vermont
Larner College of Medicine. Clauss will
continue to provide patient care part-time
at the UVM Medical Center's Emergency
Department in his new role.

Wild Center to host Eagle Island reopening celebration

TUPPER LAKE | A public event celebrat-
ing the rebirth of Great Camp Eagle Island
will be held Wednesday, August 15, at 7 p.m.
at the Wild Center. Tickets will cost \$10 for
youth and \$20 for adults.

Eagle Island, Inc. will host the musical
evening featuring musician and educator
Dan Berggren, an award-winning Adiron-
dack folk singer. The evening will conclude
with the drawing of a lucky winner for an
ultra-light Hornbeck Canoe.

Eagle Island was designed in 1903 by the
distinguished Adirondack architect William
Coulter for Levi P. Morton, the former U.S.
vice president and former governor of New
York. In 2015, with the donation of \$2.45
million from an anonymous source, the island
was purchased by a non-profit organization,
Friends of Eagle Island, now Eagle Island Inc.

Visit eagleisland.org to learn more about
the raffle, the events of the evening and to
make reservations. Email questions to cjackman@eagleisland.org or call 585-478-0213. ■
